ORDER

04 Civ. 397 (GBD) (RLE)

GEORGE B. DANIELS, United States District Judge:

Defendants filed a motion requesting that this Court certify for appeal its interlocutory order denying Defendants' motion seeking dismissal on the grounds that this Court cannot exercise general personal jurisdiction over them in light of the Supreme Court's decision in *Daimler AG v. Bauman*, 134 S. Ct. 746 (2014). Defendants have failed to show that there is at issue "a controlling question of law as to which there is substantial ground for difference of opinion and that an immediate appeal from the order may materially advance the ultimate termination of the litigation." 28 U.S.C. § 1292(b). Defendants' motion to certify is therefore DENIED.

The clerk of the court is directed to close the motion at ECF No. 472.

Dated: June 19, 2014
New York, New York

SO ORDERED:

GEORGE B. DANIELS
United States District Judge
